

THE GEORGE
WASHINGTON
UNIVERSITY
WASHINGTON, DC

DC/MD/VA Astrophysics Summer 2014 Meeting

What?

An opportunity for graduate and advanced undergraduate students to show off their research to their peers and more advanced astronomers and astrophysicists.

Why?

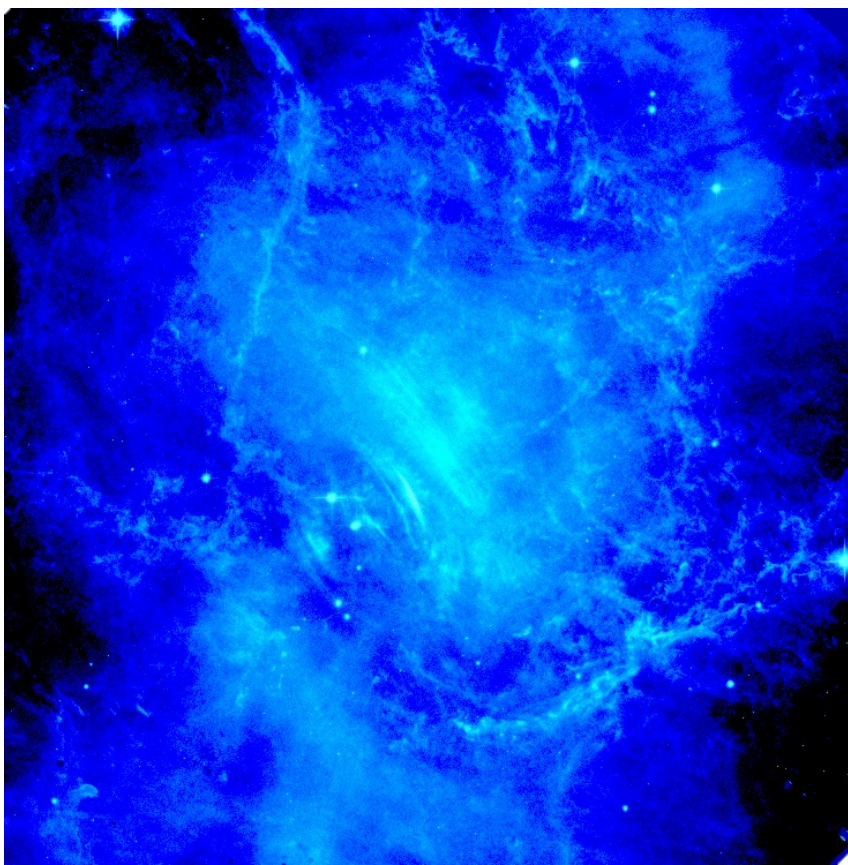

To present advanced research results, get feedback, learn about further employment/education options in DC/MD/VA and connect with other local astro folks.

Where?

The George Washington University
Washington DC

When?

July 10 & 11

Details:

Organizing Committee: Oleg Kargaltsev (GWU; astro2014@gwu.edu), Rodrigo Herrera Camus (UMD), Blagoy Rangelov (GWU), Rob Coyne (GWU), Derek Brehm (GWU)

Registration closes on June 30th, 2014 and is limited to 80-90 participants.
